

January 3, 2024

Good afternoon Plainedge Families. This is Ed Salina, your Superintendent of Schools. I want to once again thank everyone for the outpouring of support during this very challenging time. We continue to work together to support our students and staff as we take the time to process this heartbreakin loss.

The hours of operation for the Plainedge High School Crisis Center today, Wednesday, January 3rd will be until 8 PM tonight. Any interested community members, staff members, or students can enter at the Main Entrance at Plainedge High School. High School Athletic coaches and club advisors with scheduled activities are being encouraged to meet with their teams and/or clubs in the after-school hours in the coming days where possible. There will be no sporting events scheduled until next week. Until further notice, high school students are not permitted to leave for lunch and free periods.

Again, I thank you all for everything you've done to support our children during this difficult time. Thank you.
