A Message from Interim Superintendent of Schools-
Carol F. Muscarella

This past month has reminded me just how special the Plainedge School District truly is. From the moment I returned, I have been warmly welcomed by students, staff, families, and community members. The energy in our schools has been inspiring, hallways filled with excitement, classrooms buzzing with learning, and countless examples of our school of character- core values (L.E.A.D. FOR P.R.I.D.E.) happening every day.

I have seen firsthand the dedication of our teachers, the enthusiasm of our students, and the pride our families and community take in supporting one another. Whether it's through academic achievements, athletic accomplishments, artistic performances, or acts of kindness, Plainedge continues to demonstrate what makes our district such an incredible place to live and learn.

Mark your calendars- our Plainedge High School Homecoming game is Friday, October 17! Let's come together to celebrate our students, show our school spirit, and cheer on our team. I look forward to seeing our community fill the stands and make it a night to remember!

Sincerely,
Carol F. Muscarella
Interim Superintendent of Schools
