September 2026

Dear Parents:

Eastplain School's "Back to School Night" for parents will be on **Thursday, September 10th** from 6:00-8:00 PM. The goal of this evening is to provide parents with the opportunity to become more knowledgeable about the goals and expectations of your child's classroom teacher and the other staff members who contribute to your child's education.

During "Back to School," teachers will inform parents about the educational programs, classroom rules and responsibilities and their expectations for student achievement and behavior. They will also discuss the parents' vital role in strengthening the partnership between the school and the home. Teachers will not be discussing individual children during this evening, but will familiarize you with their classroom routines, programs and procedures. Parent/Teacher conferences will be held later in the fall, at which time the teachers will share information with you about your child's progress in school. The evening's schedule will be as follows:
